Please bring your lunch and a teddy bear.

What is a Sure Start Children's Centre?

Sure Start Children's Centres support children and babies of all abilities, their parents / families, and parents-to-be.

Our aim is to help babies and young children to develop in the best way they can - physically, socially and in their early learning too - so that they can flourish at home, and when they go to school.

We do this by bringing together health and family support services, childcare and early education, to work with and for families with children under 8 years-old.

Sure Start services include:

1. Child and family health services – including health visiting and midwifery
2. Support for parents – including advice on parenting, local childcare options and access to specialist services for families
3. Integrated early education and childcare
4. Helping parents into work – with links to the local Jobcentre Plus and training

Are you registered with Sure Start?

We'd like to keep you informed of our activities and the services we can offer you. We also appreciate having some information about the families who use our services to ensure that we are meeting your needs.

You can register with our local Sure Start Children's Centres by calling the centre nearest to you and requesting a registration form.

Tell us what you think

If you would like to be involved in helping us to develop our children's centres and their services, or in telling us what you think about our services now, please contact the centre you attend and they will be happy to hear from you.

Free activities in Summer Holidays 2018

We aim to make our activities inclusive for all children regardless of ability. If you or your child has any specific needs or require additional support to access our services, please do not hesitate to contact us to discuss this.

We offer a wide range of activities to benefit children aged 0-5 years.

Mums, dads, carers, childminders, grandparents and, of course, little ones are all welcome!
